

This is a detailed architectural drawing of a three-story building facade. The design is symmetrical, featuring a central entrance on the ground floor flanked by two large windows. The second and third floors each have a central window and two side windows. The facade is adorned with classical architectural elements, including columns, pediments, and decorative moldings. The drawing includes various dimensions and numbers, such as '10', '12', '14', '16', '18', '20', '22', '24', '26', '28', '30', '32', '34', '36', '38', '40', '42', '44', '46', '48', '50', '52', '54', '56', '58', '60', '62', '64', '66', '68', '70', '72', '74', '76', '78', '80', '82', '84', '86', '88', '90', '92', '94', '96', '98', '100', '102', '104', '106', '108', '110', '112', '114', '116', '118', '120', '122', '124', '126', '128', '130', '132', '134', '136', '138', '140', '142', '144', '146', '148', '150', '152', '154', '156', '158', '160', '162', '164', '166', '168', '170', '172', '174', '176', '178', '180', '182', '184', '186', '188', '190', '192', '194', '196', '198', '200', '202', '204', '206', '208', '210', '212', '214', '216', '218', '220', '222', '224', '226', '228', '230', '232', '234', '236', '238', '240', '242', '244', '246', '248', '250', '252', '254', '256', '258', '260', '262', '264', '266', '268', '270', '272', '274', '276', '278', '280', '282', '284', '286', '288', '290', '292', '294', '296', '298', '300', '302', '304', '306', '308', '310', '312', '314', '316', '318', '320', '322', '324', '326', '328', '330', '332', '334', '336', '338', '340', '342', '344', '346', '348', '350', '352', '354', '356', '358', '360', '362', '364', '366', '368', '370', '372', '374', '376', '378', '380', '382', '384', '386', '388', '390', '392', '394', '396', '398', '400', '402', '404', '406', '408', '410', '412', '414', '416', '418', '420', '422', '424', '426', '428', '430', '432', '434', '436', '438', '440', '442', '444', '446', '448', '450', '452', '454', '456', '458', '460', '462', '464', '466', '468', '470', '472', '474', '476', '478', '480', '482', '484', '486', '488', '490', '492', '494', '496', '498', '500', '502', '504', '506', '508', '510', '512', '514', '516', '518', '520', '522', '524', '526', '528', '530', '532', '534', '536', '538', '540', '542', '544', '546', '548', '550', '552', '554', '556', '558', '560', '562', '564', '566', '568', '570', '572', '574', '576', '578', '580', '582', '584', '586', '588', '590', '592', '594', '596', '598', '600', '602', '604', '606', '608', '610', '612', '614', '616', '618', '620', '622', '624', '626', '628', '630', '632', '634', '636', '638', '640', '642', '644', '646', '648', '650', '652', '654', '656', '658', '660', '662', '664', '666', '668', '670', '672', '674', '676', '678', '680', '682', '684', '686', '688', '690', '692', '694', '696', '698', '700', '702', '704', '706', '708', '710', '712', '714', '716', '718', '720', '722', '724', '726', '728', '730', '732', '734', '736', '738', '740', '742', '744', '746', '748', '750', '752', '754', '756', '758', '760', '762', '764', '766', '768', '770', '772', '774', '776', '778', '780', '782', '784', '786', '788', '790', '792', '794', '796', '798', '800', '802', '804', '806', '808', '810', '812', '814', '816', '818', '820', '822', '824', '826', '828', '830', '832', '834', '836', '838', '840', '842', '844', '846', '848', '850', '852', '854', '856', '858', '860', '862', '864', '866', '868', '870', '872', '874', '876', '878', '880', '882', '884', '886', '888', '890', '892', '894', '896', '898', '900', '902', '904', '906', '908', '910', '912', '914', '916', '918', '920', '922', '924', '926', '928', '930', '932', '934', '936', '938', '940', '942', '944', '946', '948', '950', '952', '954', '956', '958', '960', '962', '964', '966', '968', '970', '972', '974', '976', '978', '980', '982', '984', '986', '988', '990', '992', '994', '996', '998', '1000'.
